Passage C17, lower the doors.
He is trying to escape by Passage C17!
Security! Neutralize RX-606!
SECURITY! SECURITY! There's a strange response from RX-606.
He is denying movement orders.
Confirm whether he escaped.
It's the 3rd time this month that he escaped.
Hmph, Again.
This is the first case like it.
RX-606 is a complete failure.
His willpower seems to be higher than expected.
R&D

RX-606 was never meant to be used in Solo Operations.
I'll try to make him useful.
Dis-pose of him!
There is no use for such a failure.
If he's a useless failure
Why not lend him to me?
Wait, Boss...

With this Minga's psionics.

Meanwhile-
Hahaha, good job Daisuke-.
Finish him. Finish him.
Really?
And you call yourself a man, Wataru?
That's it?
Do you even have any strength?!
KIDS!
STOP IT RIGHT NOW!
'No matter what you can't get into a fight.'
When I see a girly-boy like you...
I get really irritated.

How many times do I have to tell you?
Really
It's all Daisuke's fault
Miya
Onee-san, don't get mad at Wataru...
Wataru didn't do anything.
Let's play big sister
Without that kid
The kids are following her well.
She didn't have any references so we were worried a lot.
Two months ago, when you said we'll see...

No matter what past she has
There is no evil
In a person that children follow.
Get out of the way, Kids!
You're in the way! Out.
Every-one get inside.
I really don't like these people.
You'll just bother Father.

We're not going back empty handed today. Pay back everything including interest.
The deadline has passed.
Look at this.
We can't wait any longer, Father.
Say hello to gramps.
Hey.
OK
No, just give me one more week.
10 days...
Sorry...
I don't have the money ready.
You old man!
Enough with your delays!
Father

Who are you?
You Bastard
Don't belong in a church like this.
You punks
Hmph.
So you wanna play like that!
Take him out!

Here is 700000 yen.
200,000 yen is for hospital bills.
Do you have anything to say now?
You think you can get away with this?
Bastard
What a joke.
Look at this! There is 300,000 yen in interest.
Hmph.
Let's go back
Who in the world?
Who are you?

B...
Bird.
Bird...
Really...!?
Ahhh...
C-could it be?
Ah, Bird!
Bird!
This isn't a dream.
You can't be a ghost.
You were
Alive

!?
Who
Are you?
Bird?
Are you talking to me?
You're too kind father.
How much sugar do you want?
Just enough~
Even if it's for the kids.
There was no honor in this.
You borrowed money from those people.
It looks like they were lovers.
That young man.
It's been three days and he still hasn't recovered his memory?
Yes, Ran's stuck to him.
Even if his memory doesn't return
It's the first time I seen Ran this happy.

You sure you're the one that's not jealous?
The kids seem jealous.
You told me once. You wanted to tell me
Your real dreams someday
Are you following your dreams, Bird?
What you wanted to obtain.
What were you flying towards.
I wanted to know
……

It's getting windy.
Let's go back.
Take it slowly
Don't be too dissap-pointed Ran.
Looks like it will get stronger.
